MEMORANDUM FOR: Mr. Wolf

SUBJECT : Proposed Changes in Agency Leave Policies

REFERENCE : Staff Study dated 23 Jun 52, same subject

1. The new Leave Act, which established a uniform leave system throughout the Federal Government, created Agency problems with respect to home leave for overseas personnel and lump-sum payment for accrued annual leave for certain personnel being assigned overseas.

2. A graduated leave system under the new Leave Act nullifies the home leave provisions of P. L. 110. The paper recommends the seeking of legislation to extend to this Agency the home leave benefits accorded Foreign Service personnel.
